- Other

At an in-person meeting, parents shared that they have learned about the School Development Plan in the ways listed, in the first 3 bullets.

The SDP is developed with all students in mind. Do you agree that:

- Your child's learning can benefit from the goal(s), outcome(s), actions and resources in the SDP?
- The learning of all students is reflected and prioritized in the goal(s), outcome(s), actions and resources in the SDP?

At the in-person meeting, parents agreed with the above two statements.

#### School Budget & Fees

Schools must operate within their budget and too many fees can be unmanageable for families. Knowing that, what activities and services are most important to you?

At the in-person meeting, the parents generally agreed with the above two statements.
